"Kindle Kids International Curriculum" (KKIC), is an indigenously developed curriculum offered by Vels Group of Institutions, an acclaimed brand in the educational industry with over 30 years of experience in the field. KKIC provides a structured approach for early education through active learning strategies developed by an R&D team with over 15 years of experience in the field of education. KKIC is tested and validated at Vels International Preschool in Chennai which has been ranked #1 in India for the third consecutive year. The curriculum had been successfully implemented in schools across India and abroad.

VELS GROUP OF INSTITUTIONS

Vels Group of Institutions, found by Dr. Ishari K. Ganesh, is a premier educational group in India, South East Asia and United Kingdom, offering programs from Pre-KG to Ph.D under one umbrella. Today, the group has grown to become a leading educational conglomerate with more than 36 institutions and a plethora of awards and recognitions.

Massive EXPANSION via franchising

After receiving great response and appreciation, the Vels Group of Institutions is all set to expand the presence of Kindle Kids International Curriculum through franchising in different formats: **FOFO** | **FOCO**. As part of the **FOCO** format, the franchisee will invest the required capital and get fixed Revenue Share or Minimum Guarantee (Whichever is higher) on their investment, while the preschool operations & management would be taken care by Vels Group of Institutions.

For existing preschools, Vels Group of Institutions will license the Kindle Kids International Curriculum at a one-time fee of INR 2 Lakhs. It further charges curriculum fee on per student basis.
